Emergency Use Authorization for J&J Vaccine

The J&J Vaccine is a single-dose vaccine. Trials have shown it to be very effective against preventing hospitalization and death.

If you require transportation, please email cgentry@ldchealth.org.

Follow signs towards entrance. Bring ID and insurance card if available. Please add insurance info when registering, omitting any dashes! If no insurance, enter COVID HRSA as Insurance Name, and enter Driver's License or SSN as Policy Number. Please wear your mask!
