About our community's mobile response for those experiencing mental illness and addictions

Stacey Cooper
Heartland RADAC

Bob Tryanski
Douglas County

Patrick Schmitz
Bert Nash
Community Mental
Health Center

Monica Kurz
Kansas Suicide
Prevention
Headquarters

Members of the Douglas County Criminal Justice Coordinating Council's Mobile Access Team are seeking information from the community about their experiences directly or indirectly. They also would like to hear recommendations about what the ideal response would look like. This session will help inform community work, budget proposals and pilot projects.

Facilitator | **Alex Kimball Williams**
Health Equity Planner
Lawrence-Douglas County Public Health
